All Classes

Purpose of this show is to provide instruction on what you can improve on. To meet this goal each exhibitor will have limited one on one time with both the showmanship judge and the obstacle judge. Showmanship and performance classes will run simultaneously. The last obstacle of the performance class will be meeting with the judge and together looking at the score sheet to determine which obstacles were done well and what showman can work on to improve. Each exhibitor will be limited to one showmanship and one performance entry.

Classes will be placed and ribbons will be given.

Food will be available the day of the show.

Can't wait to see you on April 23rd so we can all work on our lama project "To Make The Best Better!"
